

CODE OF CONDUCT FOR DIRECTORS AND SENIOR MANAGEMENT OF **HALDER VENTURE LIMITED**

Introduction:

Halder Venture Limited (HVL) is committed to protect and enhance stakeholders' value by fulfilling their desired contractual obligations and conducting the affairs of the company in ethical and lawful manner. The Board of Directors and Senior Management are committed to adopt the Code of Conduct and its lawful policies and procedures. They shall affirm compliance by fulfilling their duties and responsibilities and commitment towards the company in a well desired manner.

“Senior Management” shall mean officers/personnel of the listed entity who are members of its core management team excluding board of directors and normally this shall comprise all members of management one level below the chief executive officer/managing director/whole time director/manager (including chief executive officer/manager, in case they are not part of the board) and shall specifically include company secretary and chief financial officer.

Basic Policies & Code:

Functioning with responsibility and accountability:

We work in an organized way and discharge our duties and responsibilities given whether individually or in a group. While discharging our functions we avoid such actions which are meaningless to the image of our company. The company encourages the spirit of productive debate and discussions among the directors & executives. This is in a spirit of co-operation, understanding and fellow feeling. Law is the pillar on which company's ethical standards are built.

Conflict of Interest:

The Board Members and the Senior Management team do not engage in any activity or enter into any pecuniary relationship which might result in conflict of interest, either directly or indirectly. Further, they do not derive any personal benefit by influencing any decision relating to any transaction or involve in any dealing with the company's promoters, its management or its subsidiaries, suppliers, shareholders and other stakeholders which, in the judgment of the Board, may affect the independence of judgment of the Director concerned.

Full and fair disclosure of accounting matters:

In performing the duties and responsibilities, it is kept in mind that all companies' data's, records, reports; documents must be in full, fair, accurate and timely manner. All information transmitted to the company must be true and accurate, as the integrity of the company is based on accuracy and validity. The financial data's of the companies are according to the applicable Accounting Standards and policies & falsifications of records are always unacceptable to the company.

Company funds and property:

We all are responsible and accountable for proper utilization of the funds of the company. It is our responsibility that we must see that the funds are not misutilised by any of the employees or directors of the company. We are personally responsible towards proper care and use of the property and other equipments of the company. It must not be utilized by for personal purpose by any one, nor sold out unless otherwise expressed or implied, given away or disposed of without proper authorization.

Record keeping:

The company requires keeping correct, true and accurate records of all its accounting and other information. It is necessary that all its employees should report correct information to its senior management and should not misguide them. All books, records and accounting of the company must reflect accurate and true position of the activities and status of the company, no misleading information should be there. As there are some of the documents which are meant for public reading also, and if they are not accurate or are misleading then this will reflect the company's position in darkness. Records we always retained or destroyed according to the Company's record retention policies and applicable law. In accordance with those policies, in the event of threatened or actual claims, litigation or governmental investigation, please consult the Company's Legal Department regarding retention or destruction of any related materials.

Confidential Information:

All information developed within the Company with respect to its business is confidential and is not disclosed to any unauthorized person. Employees do not discuss confidential Company information outside the Company, even with their families. Such information is protected because unauthorized disclosure could destroy its value to the Company and give unfair advantage to others.

Insider Trading:

The Directors and senior management endeavor to ensure compliance with all applicable laws, rules, and regulations applicable to the Company. Transactions, directly or indirectly, involving securities of the Company is not undertaken without complying with Code of Conduct for Prohibition of Insider Trading. Any information relating to company which is non-public information is not disclosed by anyone whosoever having knowledge of such information to any other person. Any investment decision taken on behalf of the information collected from inside the company is not only unethical but also illegal and shall be prosecuted for the same by the government agencies.

Conduct of Business:

The Board Members and the Senior Management team conduct the Company's business in an efficient and transparent manner and in meeting its obligations to shareholders and other stakeholders.

The Board Members and the Senior Management team are not involved in any activity that would have any adverse effect on the objectives of the company or against notional interest. The corporate objectives pursued are to sustain the competitive edge of the company and not to indulge in any activity which is detrimental to the society at large.

Competitive Practices:

The company does not use unlawful, improper or illegal way of collecting competitive information owned by others. This is kept in mind by all employees that they should not disclose any information gathered from their past employment to their present employers. We seek to outperform our competitors fairly and honestly. Each employee endeavors to respect the rights of and deal fairly with the Company's customers, suppliers, competitors and employees. No employee takes unfair advantage of anyone through manipulation, concealment, abuse of privileged information, misrepresentation of material facts, or any other intentional unfair-dealing practice.

Gifts and Gratitude:

The Board Members and the Senior Management team neither receives nor offers or make directly/indirectly any illegal payments, gifts, donations or any benefits which are intended to obtain business or unethical favours and accept nominal gifts which are customary in nature or associated with festivals.

Financial reporting and disclosures to the regulatory authorities, government agencies, etc:

The Board of Directors shall ensure that the financial statements and reporting, made on behalf of the Company, do not contain any untrue statement or omit any material fact or content that might be misleading and shall strive to present a true and fair view of the company's affairs in compliance with the prevailing Accounting Standards, applicable laws and regulations.

Outside Activities:

All Board Members as well as the Senior Management team are free to pursue any kind of civil/political activities and can become Members or Office Bearers of any Trade Organization so long as it does not adversely affect or is detrimental to the business interests of the Company.

Declarations to the Board:

A Board Member does not take membership of more than such number of committees or act as Chairman of more than such number of committees across all companies as is prescribed SEBI (LODR) or other applicable law. Every Board Member informs the Board of all such membership at the beginning of each financial year and also of every change as and when they take place.

The Board Members and the Senior Management team informs their equity holding in the company and any changes that may take place and do not indulge in any trading of the securities of the company which would come within the purview of the Company's Insider Trading Regulations. In case of any agreement or contract which is or shall be entered into by and between two corporate entities, in which a Director is interested, the Director forthwith draws the attention of the Board about the fact and does not participate in the deliberations nor votes on the resolution relating to the same.

Protection and Proper Use of Company's Assets:

The Directors and senior management of the company protects its assets and property. Company's assets are used only for legitimate business purposes and unauthorized use or distribution of it involves violation of Company's policy, which could also be illegal and result in civil or even criminal penalties.

Compensation and Disclosures:

The fees and compensation payable to the Board Members (both executive and non executive) are fixed in accordance with the approvals as per the applicable provisions of law and the same are fully disclosed in the Annual Report.

Duties of Independent Directors:
